# CITIZENSHIP OF TURKEY

## THROUGH INVESTMENT

The Turkey (Türkiye) Citizenship by Investment Program allows investors to access both the European and Asian markets, as well as gain lifelong citizenship to a country that is in the process of full membership negotiations with the EU. This program was launched in 2018 to attract foreign direct investment and boost growth in the country's real estate sector. The program allows applicants to choose from various number of different types of economic contributions to Turkish society, thereby developing the country's economy. Furthermore, some important updates are announced in 2022 that our consultants will inform you about them.

## ABOUT TURKEY

Turkey is a comfortable country for living not only in terms of the favorable climatic conditions and friendly people but also because of the low cost of living. Turkey is a unique combination of Islamic traditions and western vibes, and it is among the most visited counties all over the world. It is noteworthy that Turkey has made a significant leap in its economic and political development over the last 20 years. Along with the agricultural and textile sectors, tourism industry and electronics are booming. Moreover, with a GDP of roughly US\$720 billion, Türkiye is the 19th-largest economy in the world as well as a member of the OECD and the G20 (the largest economies in the world). Furthermore, according to the Passport Ranking Index, the Turkish passport is placed 20th in the world for the year 2022 on the list of the most powerful passports.

# PROCESS AND TIMELINE

## HOW IT WORKS, THE PROCESS..

### 1.

In accordance with our rapid market analysis, our experts will advise you on the most lucrative and convenient investment option based on your circumstances.

### 2.

Before proceeding with the citizenship application, applicants will be required to have a phone number, get a tax number, open a Turkish bank account, and complete the investment (i.e., real estate title deed transfers, cash deposit, government bond, share purchase, etc.).

### 3.

All the relevant documents will be collected under the supervision of our lawyers, and they need to be officially translated and notarized. Moreover, the documents may need to be legalized by the Embassy or the Consulate of Turkey in the applicant's home country or Turkey.

### 4.

We will immediately apply for citizenship once the applicant meets the requirements. No physical presence or interview is required during the application process.

### 5.

Once the application is approved by the General Directorate of Civil Registration and Citizenship, the application will be referred to the Council of Ministers.

### 6.

Passports will be granted within 2-4 months of application submission.
